Candidates File for Election

Along with candidates for Town offices, the Advocate learned at press time that William A. Barnstead, 311 Appleton st., a lifelong resident of Arlington and long active on the local political scene is reportedly planning to enter the contest for Senator from this District. Official confirmation was not available but the source was authoritative.

The list of those seeking election for Town offices has changed somewhat since last week. For the two Selectmen

Previously, Angelo Liani had taken out papers but did not file and former Selectman John Bullock filed but has indicated through a spokesman to this paper that he will withdraw on the authorized day, Feb. 7.

The race for Housing Authority lost one candidate when Eugene Cancelliere, who had taken out papers for both the three and five year openings, did not file on the

deadline date. This leaves five candidates for the three year opening, including Christopher Cammarata, Paul Cantrell, James Coffey, John Hogan and Al Weismann.

The five-year opening on the Authority will be sought by incumbent Myron Chace and Frederick R. Buckley,

\$1100 Damage to Meters

Local Unit At Blast Scene

Arlington's Red Cross disaster unit saw more than twelve hours of continuous duty last weekend at the explosion and fire which killed ten persons and injured many others, near the corner of Boylston and Washington Streets in Boston.

SP 4 Gary Pigg, son of Mr. and Mrs. William Pigg of Aerial st., is now stationed at Vung Tau, Vietnam. He has been stationed at Bien Hoa since arriving in Vietnam in September and was engaged in surveying for various military installations with the 46th Engineering Battalion

of the Fourth Army. He will continue on with this type of work at his new location.

The first major incident of vandalism to Town parking meters occured in two separate episodes during the past week when 24 double parking meters were damaged by persons unknown. Cost of damage is listed as \$1,162.95 and the estimated loss in cash was \$150-175. In a report to the Board of

Selectmen on Monday night,

Town Manager Edward C. Monahan read the communication from Police Chief Albert E. Ryan, stating that Patrolman Gerald J. Connors discovered damage to meters in the Municipal parking lot on Jan. 25, on a routine

check-up at 4:40 p.m. and checked with several of store owners in the vicinity to see if anyone may have noticed anybody acting suspiciously around the meters. There is no evidence to date of anyone observing the person or persons involved in the vandalism.

Clergymen Take Stand

A group of Arlington clergymen have adopted a resolution as follows:

"In the context of the United States involvement in Vietnam and our position of involvement as Christians

and citizens, we do declare: 1. Our deep concern and uneasiness over the renewal of the bombing of North Vietnam by this our country.

2. Our support of the move by this country's administration to bring Vietnam crisis before the United Nations.

3. Our belief that programs of peace, aid, and economic development whether in foreign or domestic fields — must not be sacri-

Aaron's and Wilson's, who, to those who perhaps do not

know, are top Negro baseball players. For many years,

the American public payed top money to listen to Negro

lyn in the National League where he met tremendous

opposition, especially by Southern ball players on the

same team. Some stated flatly they would resign rather

than play with Robinson. But, Ford Frick, the Com-

missioner, quickly notified those men that if they did

resign, they would all be looking for employment else-

where outside baseball. That stopped that, but the abuse

from players on other teams and fans kept up, and it

is to the everlating credit that this young fellow stuck

to his game, and today is enshrined in the Hall of Fame

at Cooperstown, N.Y. And, at the moment he is a leader

to note that the previous year, the 16 owners of the

clubs in both the National and American Leagues voted

15 to 1 to ban Negro ball players. And, still more start-

ling is the fact that these men represented franchises

from Boston, New York, Philadelphia, Cleveland, Chi-

cago, Detroit, Brooklyn, Pittsburgh, Cincinnati, Wash-

ington, and St. Louis. For years and years, we folks

from the North were deriding the great anti-movement

in the Southern States. The next year, 1948, William

Veeck, the only man ever to grace the head table at

the writers dinner without a necktie, because of a skin

ailment, brought the first Negro to the American League

Chapter 90

State DPW Commissioner Francis W. Sargent has announced that a total of \$14,-557,890 has been alloted to Commonwealth's 351 cities and towns for Chapter 90 projects during calendar

The tentative 1966 Chapter 90 assignments for Arlington include work on Lowell st., Mass. ave. and Forest

The state will pay \$37,400, the town \$18,700 and the county \$18,700.

The allotments, approved by the DPW Board of Comes missioners, resulted from agreements reached with the various Boards of County Commissioners by Associate DPW Commissioner John D. Warner.

Section 24 of Chapter 90 of the General Laws provides for making highway funds available for expenditures, under DPW supervision, for maintaining, repairing, improving and constructing municipal and county highways. The Commonwealth provides 50 percent of the required funds and the county and municipality involved share the remainder.

Sargent explained that in the distribution of Chapter 90 funds the DPW sets up a quota for each county based on population, mileage of municipal public ways and areas. He said the formula now in use is based on 40 percent for population, 40 percent for mileage and 20 percent for area.

Maintenance allotments, however, are divided equally, the state, county and municipality each contributing one-third. Unlike the other counties, Suffolk and Nantucket function without Boards of Commissioners. with the result that Boston, Revere, Winthrop and Nantucket are required to provide half of the costs of all of its approved Chapter 90 projects.

Viet Nam Program Planned for H.S. Students

High school students are invited to attend a meeting entitled "Focus on Viet Nam", to provide a setting for discussion among high school students concerning the war in Viet Nam and its effect upon the contemporary American teenager.

The program is being presented by the Arlington Protestant Youth council. Mr. Roger Homer, president, announces the meeting to be held at Pleasant St. Congregational church, on Feb. 6, from 5:30 to 9:30. Students may come when they please and leave when they please.

Six speakers will be featured, including Thomas Harry, a graduate student at Boston University and a member of the Fellowship of Reconciliation; his topic, "Reconstruction of the U.N. for

World Peace", Phil Lamar, veteran of Korea, theology student, his topic, "Faith and Patrictism"; Joseph Stamey. PH.D. candidate in social ethics, his topic, "Historical background of the War in Viet Nam"

Also, James Nash, also a Ph.D. candidate in social ethics, his topic, "Viet Nam ↓ Just War?"; Professor Richard Chartier, professor at Union Theological school, Buenos Aires, Argentina, his topic, "American Foreign Policy in Viet Nam and Latin America"; Lt. Peace Corps Test in Brighton on Feb. 12

Local area residents interested in putting their skills to use in developing nations around the world are invited to take the Peace Corps placement test at 9 a.m. on Saturday, Feb. 12 at Brighton High School, 25 Warren st. Brighton.

The Peace Corps uses the placement test to determine how an applicant can best be utilized overseas. The test measures general aptitude and the ability to learn a language, not education or achievement. (If test scores indicated a limited languagelearning ability, for example, the Peace Corps tries to place the applicant in an Englishspeaking country.) The placement test requires no preparation and is non-competitive — an applicant can

neither pass nor fail. The application form, not the placement test, is the most important factor in the seelction of Volunteers. Persons interested in serving in the Peace Corps must fill out an application, if they have not already done so, and present it to the tester before taking the test. Applications may be obtained from local post offices or from the Peace Corps, Washington,

D. C. 20525. The placement test takes about an hour and a half An optional achievement test for applicants who have studied French or Spanish requires another hour.

Although some may know the "ins and outs" of this situation, the "average guy" probably is in a fog about it.

Under these circumstances why wouldn't it be a good idea for those representing Arlington in the General Court through the pages of the press to explain the entire tax picture as it would affect Arlington and the State, and also to explain why they voted the way they

did on the tax questions. Just how this would be accomplished is something which could be ironed out later, but for sure, "Menotomymen" would be interested.

an average of 108 interviews per month and a total of 1.295 interviews for the year. Mrs. Hunt gave a brief account of her new role as temporary part-time supervisor of the Family Service unit at the Roxbury Multi-Service Center. She cited many interesting similarities and differences between this program and her work here in Arlington. In both areas families are concerned with their children's and families needs. She spends one whole day and two half days there each week. This does not interfere with her work here in Arl-

Guest speaker, Miss Letitia DiVirgilio, Service Coordinator at the Roxbury Multi-Service Center, explained that the Center was opened on a three year trial basis. It is financed from a health and welfare grant and the Ford Foundation. It is a demonstration project to determine the family needs in a poverty area. The Center has four Social Service workers, a Child Welfare specialist, two specialized Home Development workers, two lawyers from the Boston Legal Aid Society, two employment counselors and a consulting psychiatrist. The coordinated group assists the families in social, health and education

After a stimulating question and answer period, Mrs. Joseph Barbano, hospitality chairman served refreshments and Mrs. Eli Reingold poured.

WHAT DID YOU PAY FOR ANTIBIOTICS 25 YEARS AGO?

25 years ago you couldn't buy antibiotics at any price. Neither could you get tranquilizers, steroids, radioisotopes, polio vaccines, nor a host of wonder drugs that are now commonplace.

That's why it isn't logical to say, "Prescriptions cost more than they used to." Most of today's drugs weren't available 25 years ago. In fact, over three quarters of the prescriptions written today, are for drugs that didn't exist ten years ago.

Today, Americans spend only one cent from every disposable dollar on drugs. This is no more than in 1939. Also, today's drugs work faster. They are more efficient. They do much to reduce your total cost of illness. That's why we say: "Today's prescription is the biggest bargain in history."

Local Conservation Commission Proposed

Committee For The Improvement Of Civic Design appeared before the town Finance committee on Monday evening, for a hearing on an Article in the Town Meeting Warrant which asks for the creation of a Conservation

Commission. Emphasizing that only by ment of a conservation comment orf a conservation commission could the town be eligible for federal and state funds to aid in preserving and beautifying the remaining open land that Arlington has left, Dr. Herbert M. Meyer of the Civic Design group cited the desirability of having such an unpaid conservation commission ready and available should preservation needs arise.

Federal and state funds are available for up to 75 per cent of local conservation projects

According to a spokesman

Members of the Arlington | for the State Dept. of Natural Resources, 234 Massachusetts towns, including Bedford. Concord, Lexington, Lincoln, and Winchester, presently have conservation commissions and are eligible for these funds.

Organized by Mrs. Gordon P. Thompson and presently under the chairmanship of David D. Wallace, the Committee for the Improvement of Civic Design is comprised largely of delegates representing the memberships of the League of Women Voters, Chamber of Commerce, Woman's Club, Garden Club, Historical Society, and Zonta and also includes interested , civic minded individuals.

GBARC MEETING

A documentary film entitled "Selling One Guy Named Larry" is to be shown at this month's meeting of the Arlington Chapter of the Greater Boston Ass'n for Retarded Children on Monday, Feb. 7, at 8:15 p.m. at Robbins Library hall.

This film was shown at the National Convention of the Association and is a concise. dramatic presentation of people at work, people who are mentally retarded. Scenes are from shops, factories, offices, restaurants, and farms. The cast consists of employers, vocational rehabilitation consultants, employment counselors, and people on assembly lines, in back of counters, and behind desks. All over the country, the mentally retarded are being properly trained and profitably employed. This film documents the many avenues available

Guest speakers will be Frank Fitzgerald, director of the Vocational Adjustment center of the GBARC in Boston; Mrs. Samuel Carlisle, principal of the Junior High Industrial Arts school in Arlington; and John Hansen. procurement agent for the Vocational Adjustment Center (VAC) and consultant to the VAC advisory committee. Question and answer period

will follow. Mrs. Olive Hanson, president of the Massachusetts Special Class Teachers' Ass'n will be present, as well as Edmund Lewis, principal of the Vocational High School of Arlington. Special invitations have been extended to the members of the Elks, The Lions' Club, Rotary, and Chamber of Commerce. The meeting is open to all.

Mrs. Doris O. Buonomo, is program chairman of the Arlington Chapter.

Beat Austin, 7-2

Four goals by Don Coleman and three goals by Bob Shea, kept ACH in third place as Austin scored a single tally in the second and third per-

Weiland fed a leading pass to Don Coleman at the 3:45 mark as AC scored its first goal. Two goals were scored late in the period as Coleman passed to Shea who scored the first of his three goals at the 8:44 mark. One minute later, Shea and Coleman combined for the third score of the period as Coleman tallied his second goal.

A.C.H. Icemen

The second period had just started when Murphy, Mulcahey and Seaver Austins third worked the puck up the ice and Murphy scored on a difficult angle shot. Coleman put A.C. out to a 4-1 lead as he hit the net Weiland and Shea getting the assists.

Shea scored the fifth goal at 6:27, with Weiland getting another assist. Coleman had this third goal of the game just before the second period ended, Macaulay got the as-

At the 3:33 mark of the final period Murphy of Austin scored his second goal of the day unassisted. Shea with an assist from Coleman scored the 7th A.C. goal. For A.C. Don Coleman with

4 goals and Bob Shea with 3 were the scorers while Weiland had 3 assists. Murphy of Austin played a fine game in a losing cause.

This Sunday A.C. plays league leading Matignon and, with only 4 games remaining, Catholic must win to stay in the fight for a State tourney

Bantam — Pee Wee Hockey

In the fourth round of games in the Youth Hockey Program sponsored by the Arlington Park and Recreation Department, the Bantam Rangers held onto first place as they eked out a one to one tie game with the fast skating Maroons.

The Maroons carried the play from the opening faceoff and jumped out to an early lead on a goal by Paul Donnelly on an assist from Kevin Donovan.

Despite several extended periods of constant pressure, Ranger goalie Frank Agos-

SCARAMOUCHE"

Late in the game, Ranger defenseman, John Renauro deadlocked the contest, assisted by Allan Glennon. For Renauro, it was his fourth goal of the season.

The Canadiens won their first game of the season as they outskated the Red Wings 4-2, in the highest scoring game of the year. Kevin Carr ha 'wo ! Is for the Canadiens and John Shea had a goal and an assist while Paul Messuri scored once and Ken Duffy added an assist to spark the vic-

tory. Steve Magliano drilled in a long shot for the Red Wings and Bob Hutton scored on a pretty pass from smooth-skating Maurie Corkery to account for the Red Wings' final tally. The Pee Wee Black Hawks

swarmed all over the ice against the Rockets but had to swallow a one to nothing defeat as Ron Crescentini sparkled in the Rockets' net. Jack Hurd was foiled twice by Crescentini, and two other times by his shot hitting the The only threat by the

Rockets resulted in a score as Jack Repetto carried from his own end and fed Herb Rikeman who slapped the puck in to win the game and knock the Black Hawks out of first place.

The Pee Wee Maple Leafs evened their record at 2 wins and two losses by nipping the Bruins 3-1. Alan Quinlan combined with Matt Teevan on all three Maple Leaf scores with Quinlan scoring twice and Teeven once. Jeff Corbett avoided the shutout for the Bruins as he scored on a combination from Steve Pomey and Larry Prior.

Heartfelt Thanks to Those Who Helped

A belated but heartfelt 'thank you' was spoken by Mrs. Thomas J. Louder, Jr. on Friday, Jan. 21, to nine of the ten young men from the aircraft carrier USS Wasp who donated blood on her behalf.

These young men and Ens. Roger Anderson representing the Commanding Officer of the USS Wasp, Captain Gordon E. Hartley were guests at a luncheon at Symmes hospital, last week.

Also present were Mr. Louder; Donald E. Nickerson, president of the board of trustees; Merwin F. Ashley; Harold A. Cahalin; Mrs. William E. Phillips; J. Milton Washburn, Jr.; administrator Robert R. Lovejoy, Assistant administrator Arthur H. Leslie, Jr.; Morris W. Shapiro, M.D., chief of pathology; evening blood bank technician Timothy B. Murphy: blood bank technicians David B. Bertolami and Mary V. Biscoe; and Lt. Jones of the Chelsea Naval hospital.

This story of people helping people all began last fall (Nov. 5 & 6) when Mrs. Louder underwent major surgery at another hospital. A critical development demanded fresh blood from walking donors.

Although about 75% of the 2000 men aboard the Wasp were on weekend leave and a like proportion off duty aboard the Essex, duty officers began checking those aboard for the blood type needed. Within an hour. twenty men were ready and police from Station 15 in Charlestown escorted the navy truck to the Arlington line where local police took

Stanley Miarecki, Jr. of the Chelsea Naval hospital not only donated blood but stayed through the night helping Symmes technicians process other donors. Others continued to arrive throughout the night.

Mrs. Louder, the mother of a fourteen year old daughter, used all the blood donated. Her presence at the luncheon was something she had looked forward to for two months, providing her with the opportunity to meet and thank the young men who had done so much for her. The eleven donors from the

Tel. Co. Plans \$178 Million for Construction

The New England Telephone Company plans construction expenditures of \$178 million this year — the largest in its history.

This is more than \$8 million above last year's outlay and marks the seventh consecutive record-breaking

Construction expenditures will total about half a billion dollars for the 1964-1966 period for continued growth and modernization of the business

Allen G. Barry, company president said: "The importance of the telephone business to the economy has never been greater than it is

"Last year was a busy year with record growth and further improvements in

"Prospects for the future are good, based upon the health and vigor of the New England economy. Our proposed construction expenditures of \$178 million for 1966 will further contribute to the economic growth that lies ahead.

"The 1966 construction budget includes facilities for making Touch-Tone calling featuring push buttons instead of a dial - available to a half million customers by the end of the year. It's now available to 115,000 customers.'

Barry said other elements of the program include new buildings, expanded switching systems, added cable facilities, buried cable in new housing developments, expansion of local free calling areas, and new services such as the new dial-in-handset Trimline telephone.

These expenditures are part of a Bell System spending program for 1966 expected to approximate last year's record \$3.9 billion. Frederick R. Kappell, chairman of AT&T, noted this will mark the third consecutive year in which the system spending has topped \$3 bil-

"The New England Company," Mr. Barry said, "installed 825,000 telephones and removed 641,000 for a gain of 184,000 in 1965. This was the largest gain since 1946 — a unique year in which the accumulated de-

mand of the war years was

"We now have about 4-1 million telephones in the five states in which we provide service. At the present time, 99.7 percent of our customers have dial service. It will be 100 percent by the end of this year.

"A record use of long distance service was made by our customers in 1965. The 10 percent increase in calls compared with 1964 set a new high for the fifth consecutive year.

"About 85 percent of our customers now can dial their calls direct.

"Other highlights in 1965 were completing a \$1 million central office in the Greendale section of Worcester, completing a \$3.5 million engineering headquarters building in Framingham, and introducing Touch-Tone in seven communities.

"We will offer Touch-Tone in 31 more exchanges in 1966. "At the end of 1965, the telephone plant in service totalled \$1.7 billion, an increase of eight percent over 1964. The average investment per telephone is now about \$418.

Mr. Barry concluded: "We regret that the administration has chosen to recommend re-imposition of the Federal 10 percent excise tax on telephone use. Telephone service would be the only utility so taxed.

"We fully recognize, however, our country's needs for added revenue at this critical time and some of the problems involved in recommending appropriate legislation.

"The tax on telephone service was one of the most unpopular Federal excise taxes, and the action of the 89th Congress in reducing it to 3 percent, effective January 1, and eliminating it entirely by 1969 was most welcome news to telephone users. We earnestly hope that, whatever the action, full account will be taken of the discriminatory nature of this undesirable tax.

"It should be noted that any tax change which might affect telephone usage will require a reassessment of the basis upon which our plans for 1966 have been Administration Hospital. organized."

Fidelity House Notes

After spending the morning at the Museum of Science, more than 80 Fidelity House members went to the top of the Prudential Center to enjoy the breathtaking view. Arlington is plainly visible from this vantage point along with the entire Boston Harbor, Logan Airport, etc. While at the Museum of Science, the children were impressed with many exhibits including life size models of Appollo, Gemini and Mercury space capsules, the live animal demonstrations, locomotive models and many other exhibts.

Other events of importance to be held at Fidelity House in the near future include:

The monthly cards party to be conducted by the Friends of Fidelity House Feb. 10 beginning at 8 p.m.

The monthly co-ed social for high school members will be held on Friday evening. Feb. 11 beginning at 8 p.m. Members may not only dance to the juke box, but also use the gym and games rooms as they wish. Refreshments will be served. Admission by

membership ticket only. The CYO is planning a swimming party, Feb. 13 and a Ski Trip on Feb. 21. Tickets for both events will be available at Fidelity House. The Tenth Annual Mother

and Son Dinner will be held on Monday evening, Feb. 14. After a feast prepared by the Friends of Fidelity House, Mothers and Sons will be royally entertained. The all important Achievement Awards will be awarded at this dinner. Tickets are available now at Fidelity

ART PEARSON demonstrates forehand to one of the several groups which make up the Wednesday evening tennis class.

It's June in January on Wednesday evenings from 7-10 at the High chool gymnasium. Aspiring Arlington athletes are swarming in to learn the fundamentals of tennis as demonstrated in a series of six free lessons.

Sponsoring this mid-winter activity is the Arlington Tennis Club, a town-wide organization open to all. A demonstration film and an explanation by Bob Easton of the forehand and backhand drives were featured last week in the first lesson.

Instructors for the current series include some of the club's top players, including George Pearson, Mike Crozier, Art Pearson, Bob Klein, Burnie Baron and Bob Easton. Also, Maureen Crozier,

A.C.H.S. in 79-69 Hoop Verdict

With three boys scoring in the double figures, Arlington Catholic's basketball team defeated St. Mary's of Cambridge, Friday night, at St. Agnes gym, 79-69.

Bill Regan, Coach Bill Broderick's hustling forward, was the game's high scorer, with 19 points—8 baskets and 3 foul shots. Captain Steve Dooley had 14 points, and guard John Crowley 12. High scorer for St. Mary's was a local boy, Mike Sheehan, with 18 points. Mike recently moved to East Arlington, and is one of the better guards in the Catholic Suburban loop, as well as a fine scorer for Frank Foley, the St. Mary's coach, who resides

here in Arlington. A.C. only has three more games to play, facing Columbus, St. Mary's of Lynn and Cathedral, all away from home. The team is already eliminated from the Tech. tourney, so Coach Broderick will use many of his J.V.'s and freshmen in the final able to control the back

The Newton game was a must for the locals and goals by Bob Havern, who is the leagues top scorer, defenseman John Byrne and big Jim Smith in the first period, just about erased any thoughts of a Newton win.

Dick Costa and Steve Donnelly had second period goals and Bob Havern scored again in the final period.

At 4:27 of the first period, with Arlington pressing, John Deveaux rifled a shot at the Newton goalie which rebounded and Bob Havern was right out in front to poke it into the net for the first goal of the game.

One minute later, defenseman John Byrne let go a hard shot from the Newton blue line that ledged in the net for the second Arlington score of the period.

The other defenseman Jim Smith scored the third goal of the period with a hard shot from 35 feet out.

In the first period, the Red and Gray had one penalty. Bob Havern was penalized for interference at the one minute mark and Newton put on the power play but was unable to get a single shot on the Arlington goal while Arlington was short handed. Install Signs For Explanation

Concern by the members of the Board of Selectmen was voiced at the meeting on Monday night regarding the traffic lights and it was voted to install signs at intersections, explaining the timing cycles and when or where not to cross.

Confusion seems to be prevalent on the "Walk" and "Don't Walk" phase of the lights.

The important fact for pedestrians to remember is not to leave the sidewalk if the flashing "Don't Walk" is on.

This follows the "Walk" sign and allows time for those already crossing to reach the opposite curb but warns others not to start across.

According to an explanation given at the meeting, pedestrians should not leave the sidewalk unless the light is on "Walk".

It was also stated that the Selectmen could exercise their perogative to contact State officials and request a study of conditions at intersections in Arlington in order that the timing of the lights will be adequate for local conditions.

A 3-1 Record

Coach Charlie Lowder has his freshman basketball team moving at a fast pace and the boys have a 3-1 record to prove it.

. The team defeated Waltham North 46-26. Watertown West 73-65 and Watertown East 82-35.

The boys lost their first game of the season to Waltham South 53-39 when two of their players Dave O'Leary and Jim Nigro were playing with the varsity.

Dave O'Leary is the team's leading scorer to date.

Others on the squad include; Charles Barnaby, James O'Connell, Dave Allan, James Nigro, Jack Bitzer, Dave Sullivan, Rodger Krikorian; Kevin Driscoll, Kevin Donavan, Tom Derosa, John Carvello, Robert Cuccio, Pete Orphanas, Barry Yunes, William Biciocchi, Jay Sevoian and Dave O'Leary. Brian Adams is the team's manager.

According to coach Lowder the squad is hustling all the time, is very strong and with a little game experience should have a fine season.

AHS Freshmen Girls Join Discussion Panel

CLOTHING CLASSES for AHS economic students were attended by, above I. to r., Mrs. George Revasz, Karen Frazer, Mrs. James Shaughnessy, Sara Dick, and Esther MacLeod. The little girl is Cheryl Revasz.

The Arlington High school Home Economics department, headed by Miss Florence Forsyth, has just concluded a unique and stimulating unit in the freshman clothing classes entitled "Growing Up and Enjoying It.'

The objectives of the unit have been to help the teenage girl to more completely understand herself as an individual and in relation to others around her; to assist her in more fully realizing her useful and harmonious role in the family, school, and community.

One of the highlights of the unit was the use of a panel technique in each of the classes, composed of ninthe-grade mothers and students, moderated by Mrs. Lois Pharris, freshman Home Economics teacher.

Ninth-grade mothers who participated on the panels included Mrs. Norman Brown, Mrs. Velma Brown, Mrs. James Coffey, Mrs. George Hannafin, Mrs. Harold Hatch, Mrs Edward Linehan, Mrs. George Revasz, Mrs. Mora C. Rawlings, Mrs. James Shaughnessey, and Mrs. Peter Toland.

The problems discussed were varied and typical of the average teenage girl. Discussions between the parents and students were very enthusiastic and everyone was of the opinion that the unit of study, along with the panel discussions, proved very helpful to both mothers

and daughters. Miss Joan Davidson, student teacher from Framingham State College, assisted Mrs. Pharris.

A. C. H. S. Winner

Arlington Catholic high's basketball team defeated Bishop Fenwick last week at St. Agnes gym. At the end of the first period A.C. was leading by a single point.

They increased the lead in the second period and at half time had a 4 point edge with the score 37-33 In the third period A.C. was

only able to score 11 points while Fenwick tallied 10. A.C. had a five point lead starting the last period and outscored the visitors 20-17 to win 68-60. This was A.C.s 8th win of the season. Bob Green and Fred Martucci each scored 16 points Steve Dooley

had 14 and Bill Regan 12.

Pair Of Wins For AHS Frosh

The Arlington High freshman hockey team remained undefeated as they scored two wins last week

On Wednesday afternoon the boys were taken to Andover along with the varsity and they played the Andover Academy J.V. team, winning

Tony Lyons had a great day at the Andover rink, scoring the first goal at the 3-minute mark with Cliff Hamilton getting the assist. This was the only score in the first period.

Pete Flanagan of Arlingcton scored at the halfway mark in the second period after receiving a pass from Tony Lyons. The Andover J.V. team scored two quick goals to tie the game.

Both clubs had many scoring chances in the final period, with the Arlington team getting the winning goal in the last minute of play as Tony Lyons tipped in Dave Brine's hard slap shot. With two goals and an assist, Tony Lyons was the outstanding performer for the frosh team.

Second win, A.H. Frosh 13-Archbishop Williams 1.

Saturday morning in a league game at the Arena the freshman hockey team went on a scoring spree at the expense of Archbishop Williams. Iwo boys turned the hat trick; Tony Lyons and John Corbett had three goals each, and Dave Brine had two. Single goals were scored by John Lyons, Wayne Hale, Pete Flanagan, Bernie Quinlan and Kent Davidson. Tony Lyons is the league's leading scorer with 17 points, followed by teammate Cliff Hamilton with 12.

The freshman team is undefeated and only has a tie with Brookline to blemish its record. Saturday morning at 11 a.m. the club faces Catholic Memorial at the Arena.

AIM Announces "Honors"

ADVENTURE IN MUSIC honored music students include (standing), Madeline Nahabedian (Parmenter); Paul Robbins (Cutter) Anna Trembly (Cutter); and (seated), Mark Mayerson (Brackett)

Four Arlington elementary | Conductor Kalman Novak school children who play instruments particularly well have been invited to join the A.I.M. Symphony Orchestra for the performance of one movement from Sammartini's "Symphony in D Major", at the February 12 concert to be held at the Lexington high school at 3:15 p.m.

The honored students: Mark Myerson (Brackett), Madeline Nahabedian (Parmenter), Anna Trembly (Cutter), and Paul Robbins (Cutter) are becoming familiar with the movement through the guidance of Mr. Anton Kovar, string instructor in the Arlington schools. There will be two rehearsals with the Orchestra before the performance.

"Color in Music", is the theme for the concert. Composers, like painters, use color to create a wide variety of moods and effects, and

(also Conductor of the Civic Symphony of Boston), will show slides of famous paintings to compare the use of color in art and music. An Annual Music Writing

Competition is sponsored by A.I.M., for the children in the elementary grades. This phase of the music program is now under way in the classrooms through the efforts of Mrs. Bernard G. Ryan, music supervisor for | Arlington's elementary grades. The winning composition, chosen from several hundred entries, will be orchestrated and performed by the 45 piece orchestra. The winning Composer receives a specially designed plaque. The dead line for entries is February 12, and the winners will be announced at the March 19 concert.

"Adventures in Music" (A.I.M.) founded in 1959 brings live concerts performances by a professional orchestra to elementary school children in Arlington and five surrounding communities and are presented by the DeCordova Museum in cooperation with the public school department in each of the

CHRISTIAN SCIENCE Sunday service of Feb. 6.

"Can Deity be known through the material senses? Can the material senses which receive no direct evidence of Spirit, give correct testimony as to spiritual life, truth, and love?" This thought-provoking question is part of the Lesson-Sermon on "Spirit" to be read at all Christian Science churches this Sunday. The question is taken from the denomination's textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy. the Discoverer and Founder of Christian Science.

Bible passages will include Jesus' declaration: "It is the spirit that quickeneth; the flesh profiteth nothing" (John

Gov. John A. Volpe this week issued a proclamation in observance of Greek Letters Week by the Greek Orthodox communities throughout the state. Shown are Gov. Volpe and board members of the St. Athanasius church in Arlington, from left, John Macaris, Fred Karageanis, Atty. George Gennis, and Peter Stacey. Also pictured are the Rt. Rev. Gerasimos, Bishop of New England, third from left; and the Rev. Michael Vaporis, pastor of St. Athanasius church, extreme right. The Governor notes that Greek, as the language of the fathers of philosophy, literature, science, democracy, and civilization, as well as the greats in these fields, should be honored; and that scholars recognize the stature of Greek-medium through which the Hippocratic oath was handed down, the New Testament was read, and scientific foundations laid.

St. Athanasius Greek Orthodox church, beginning its second year since its establishment in Arlington, held elections on Jan. 3 for officers of the Parish Council for this year. The following were elected, Peter Stacey, pres. John Macaris, vice pres. Fred S. Karagianis, treas. and Daniel Xenos, sec. The fifteen member Parish Council was elected on December 12, 1965.

A spokesman stated that January has started out as a very busy month for the new church and the newly-elected officers promptly announced that the drive for funds to have the interior of the church painted will be intensified in order to have the project completed by Easter. On Jan. 17, vesper services

were held to commemorate

the feast day of St. Athanasius, the patron saint of the church. His Grace, Bishop of the New England Diocese. Gerasimos officiated at the service, assisted by the parish priest, Rev. N. Michael Vaporis and six other visiting priests from neighboring Greek Orthodox churches. Coffee was served by the St. Barbara ladies society in the church hall.

The week of Jan. 24-29, is observed and designated by the Greek Orthodox archdiocese of North and South America as Greek Letters week, set aside annually for the observance of the importance of Greek learning in society. That includes the literary works, philosophy, arts. sciences and education, that have been contributed to our civilization by the Greeks.

This year as in the past, Gov. Volpe will issue a proclamation on Greek Letters week, and Robbins library will have a display of some literary works of various Greek writers.

Also, a committee is working on the annual dinner dance to be held on Sunday. Feb. 6, at the hall of the Holy Trinity Armenian church in Cambridge.
